

English and Math Course Requirements

English Placement Scores

English Placement Score:		Course you will be registering for:	English Placement Notes:
All Faculties and Programs <i>(except General Arts and Science programs)</i>	P98	CORE100	If your English Placement is P98, you will register for CORE 100, which is equivalent to your first-semester English Writing (WRIT) course. Following the successful completion of CORE 100, you will then take the 200-level WRIT course required for your program.
	P99	WRIT1XX	If your English Placement is P99, you will register for your required first semester English Writing (WRIT) class. Please locate your program on the charts below (beginning on Page 4) to determine which WRIT course is required in your program before you begin the registration process.
	P97	ESOL 100 or ESOL 120	<p>If your English Placement is P97, you will register for either ESOL 100 or ESOL 120, which are ESL equivalents to your first-semester English Writing (WRIT) course. Please locate your program on the charts below (beginning on Page 4) to determine whether you should register for ESOL 100 or ESOL 120.</p> <p>Following the successful completion of ESOL 100/120, you will then take ESOL 200/220. By completing ESOL 100/120 and ESOL 200/220, you will satisfy the English requirements of your program.</p> <p>**Students with a P97 score are also advised to take HESL 024 instead of GNED 101 (if the course is a requirement in the program). HESL 024 is equivalent to GNED 101.</p>

English Placement Score:		Course you will be registering for:	English Placement Notes:
<i>Faculty of Liberal Arts</i>	P98	CORE100	If you have a score of P98, you will complete CORE100 which is a full credit course equivalent to the first semester English class for all programs.

	P99	GCOM105/ GCOM110/ WRIT120	If you have a score of P99, you will take GCOM105 (College Transfer/University Transfer programs), GCOM110 (Pre-Health Pathways) or WRIT120 (Technology program)
	P97	ESOL100 (ESOL120 for the Technology Program)	If you have a score of P97, you will complete the ESL equivalent to your first semester English course. **Students with a P97 score are also advised to take HESL 024 instead of GNED 101 (if the course is a requirement in the program). HESL 024 is equivalent to GNED 101.

Faculty of Applied Sciences & Technology

Program	First Semester English (WRIT) Course Requirement	First Semester Math Course Requirement	Additional Information
Building Construction Technician	WRIT 108	TMTH 110 (Semester 2)	*Note – diagnostic test will be written during the first week of classes for possible exemption from the Math requirement
Carpentry and Renovation Technician	WRIT 108	TMTH 110	
Carpentry and Renovation Techniques	WRIT 108	TMTH 110 (Semester 2)	
Construction Engineering Technology	WRIT 108	TMTH 110 (Semester 2)	
Electrical Techniques	WRIT 108 (Semester 2)	TMTH 125	
Millwright Techniques	WRIT 108 (Semester 2)	TMTH 125	
Plumbing Techniques	WRIT 108 (Semester 2)	TMTH 125	
Welding Techniques	WRIT 108 (Semester 2)	TMTH 125	
Industrial Woodworking Technician	WRIT 108	-----	
Architectural Technology	WRIT 120	TMTH 111	
Civil Engineering Technology	WRIT 120	TMTH 102	
Computer and Network Support Technician	WRIT 120	TMTH 104	
Computer Engineering Technology	WRIT 120	TMTH 104	
All Electrical and Electronics Engineering Technician / Technology Program	WRIT 120	TMTH 104	

Computer Programmer	WRIT 120	-----	
Design Foundations	WRIT 120	DMTH 100 (optional elective in semester 2)	*Note – No Placement testing required for DMTH 100
Electromechanical Engineering	WRIT 120	TMTH 114	
Heating, Refrigeration and Air Conditioning Technician/Technology	WRIT 108	TMTH 105	
Interior Decorating	WRIT 120	-----	
Landscape Technician	WRIT 108	-----	
Mechanical Engineering	WRIT 120	TMTH 105	
Sustainable Energy and Building Technology	WRIT 120	TMTH 105
